

ABOUT AMATEURPIANISTS

Since our formation by Glenn Kramer in February 2011, AmateurPianists has provided music performance and education opportunities for adult amateur pianists of all skill levels through recitals, masterclasses, and lectures.

We listen to feedback and comments from our members! If you have an idea for a recital or lecture topic, please let one of our board members know, or contact us through our website: AmateurPianists.org. You may also reach us by emailing us at info@AmateurPianists.org.

Our mission is fourfold: To provide performance opportunities for adult amateur pianists of all professions and backgrounds; to enable free access to piano music for audiences of all ages and walks of life; to educate the community in piano topics through masterclasses and lectures; and to host the San Diego International Piano Competition and Festival for Outstanding Amateurs.

Today's masterclass features **Dr. Vania Pimentel** who will be guiding the listeners with two piano masterworks that are favorites for both pianists and audiences:

Johann Sebastian Bach

Italian Concerto BWV 971, II. Andante
ed. Henle

Pianist: Kyle Hohn

Lowell Liebermann

Gargoyles Op. 29, I. Presto and III. Allegro moderato
ed. Theodore Presser Co.

Pianist: Dorothea Kehler

We invite you to watch and learn from the demonstrations and interactions between Dr. Pimentel and student. Following the masterclass, Dr. Pimentel will be performing a short piece from Brazil.

Dr. Vania Pimentel is a concert pianist who continues to enthrall audiences in the US and elsewhere, particularly in Brazil where she is originally from. She is particularly renowned for her interpretation of music with complex rhythms and unique expressions of both classical masters and Latin composers.
