

## ABOUT AMATEURPIANISTS

Since our formation by Glenn Kramer in February 2011, AmateurPianists has provided music performance and education opportunities for adult amateur pianists of all skill levels through recitals, masterclasses, and lectures.

*We listen to feedback and comments from our members!* If you have an idea for a recital or lecture topic, please let one of our board members know, or contact us through our website: **AmateurPianists.org**. You may also reach us by emailing us at **info@AmateurPianists.org**.

**Our mission is fourfold:** To provide performance opportunities for adult amateur pianists of all professions and backgrounds; to enable free access to piano music for audiences of all ages and walks of life; to educate the community in piano topics through masterclasses and lectures; and to host the San Diego International Piano Competition and Festival for Outstanding Amateurs.
