## About AmateurPianists

**Our mission:** To provide performance opportunities for adult amateur pianists of all professions and backgrounds; to enable free access to piano music for audiences of all ages and walks of life; to educate the community in piano topics through masterclasses and lectures; and to host the San Diego International Piano Competition and Festival for Outstanding Amateurs.

Your tax-deductible donation will **encourage, inspire, and provide piano opportunities** for you, your friends, and our members!

Visit [AmateurPianists.org](http://AmateurPianists.org) to make a donation or **today** at this event.

We can accept cash, checks, or credit card donations.

## The Alexander Technique

**T**he Alexander Technique is a discovery in mind/body awareness that is key to unleashing your potential and finding the ease in everything you do. Whether you want to improve your piano performance and reduce performance anxiety, or just improve your posture and gain ease and comfort in your daily activities, the Alexander Technique will help you—both pianists and non-pianists. Come join us and you will learn some ideas and a practice you can use all your life to reduce stress, enhance your physical coordination, and uncover your innate ease in piano performance or anything you do.

With 35 years of experience, Eileen Troberman is a master teacher of the Alexander Technique. You can learn more about her and about the Technique by visiting her website, [www.AlexanderTechniqueSanDiego.com](http://www.AlexanderTechniqueSanDiego.com).
