

## ABOUT AMATEURPIANISTS

Since our formation in February 2011, AmateurPianists has provided music performance and education opportunities for adult amateur pianists of all skill levels through recitals, masterclasses, and lectures.

*We listen to feedback and comments from our members!* If you have an idea for a recital or lecture topic, please let one of our board members know, or contact us through our website: [AmateurPianists.org](http://AmateurPianists.org). You may also reach us by emailing us at [info@AmateurPianists.org](mailto:info@AmateurPianists.org).

**Our mission is threefold: to provide opportunities for piano performance, to educate through masterclasses and lectures, and to organize the San Diego International Piano Competition for Outstanding Amateurs.**
