We are thrilled to have Ilya Maximov, an award-winning pianist, currently based in Austria and Poland, speak to us in May about the Russian Piano School, drawing upon his own heritage growing up in Russia. Ilya will disseminate the impulses and roots of the Russian tradition and reference the professors and composers that had enormous impact on Russian technique and style such as A. Arensky, S. Taneyev, N. Rimsky-Korsakov, V. Safonov, A.
